The parties hereto agree as follows:

- 1- The RECIPIENT agrees to pay to the SENDER the full amount required for the Wares described on the front.
2. The RECIPIENT shall pay such amount in accordance with the terms appearing on the invoice corresponding to this delivery.
3. Should the RECIPIENT fail to pay when due any of the sums owed pursuant to the Agreement, it shall pay interest on the arrears at the annual rate of EIGHTEEN PERCENT ( 18% ), compounded monthly, as of the due date until payment in full of the amount owing. Accrued interest shall be payable on the same day a principal amount becomes due.

If, in the TEN (10) days from the confirmation of the delivery note number, THE RECIPIENT does not remedy such failure, he is automatically put in default to pay the balance.

The SENDER is in no way liable for the delays in delivery resulting from natural disasters, epidemics, fires, accidents, acts of war (whether declared or not), insurrections, riots, acts of terrorism, wildcat strikes, partial or total work stoppages or slowdowns, lock-outs, changes in market conditions, power or communications breakdowns, interventions by civil or military authorities, compliance with any orders of governmental authorities, courts or tribunals or public authorities.
5. If the RECIPIENT refuses to take delivery of the wares on the date agreed upon for delivery, the SENDER may either cancel the sale or adjust the sale price according to the price list in force when a new delivery date is agreed upon by the parties.
6. The signing of the wares delivery form constitutes acceptance and acknowledgement on the RECIPIENT's part that such wares are the ordered wares. After delivery to the RECIPIENT, the SENDER shall not be liable for any loss or damage whatsoever with respect to the wares.
7. The SENDER undertakes to replace, at his cost, any faulty wares if the defect or damage is not due to the RECIPIENT.
8. The RECIPIENT assumes all the risks and liabilities that may result from losses, damages or injuries caused by wrongful use of the wares.
