Object: LOAN FOR USE AGREEMENT

.....,

Further to our various conversations concerning the manufacturing by your company of a piece which is a component of the equipment developed by our company, we hereby submit to you the present letter which reproduces the conditions that we have determined regarding the loan of the matrixes or the moulds (hereinafter referred to as the “Equipment”) necessary for the production of such piece.

By way of confirmation of these conditions, would you kindly countersign the present letter that, for future reference, constitutes, without prejudice to any eventual modification, our loan for use agreement.

1.00 Objective

Subject to the terms of the Agreement, THE CLIENT loans to the SUB-CONTRACTOR the following Equipment, for the period provided in subsection 5.02 hereof:

- *(description of the Equipment)*
-
-
